different time zone, different language, different culture, same need...
G O D.

Dec. & Jan. Prayer Needs:

1. **Pray for health, safety & guidance as Rick ministers in Chita, Yakutia, & Magadan . . . 3 to 5 time zones from home.**

2. **Dianna is helping coordinate a Sunday School Teachers Seminar. The Langs are the main speakers. Pray for wisdom in content matter, clarity & the move of the Holy Spirit.**

3. **The Langs will travel & distribute STL equipment to a variety of regional churches & Bible Schools. They will be encouraging the believers and teaching in Bible schools.**

4. **Rick & Dianna continue to thank you for praying for their daughter, Abby and son-in-law, John, as he is still serving in Iraq.**

What a month November has been -- a busy one at that!

***The Langs hosted a Teen Challenge>>>>> Seminar w/ Kevin Tyler as main speaker. Christy Perry accompanied him and ministered at our women's rehab center. Directors of the four main rehab centers were invited to this seminar. It was finished off with hands-on advice, visiting the centers, and giving an assessment of each individual program. What a blessing; it was great!

***Dianna hosted a Lady Ministers' Retreat with help from colleague Kara Cusic. >>>>>>>>> The majority of these ladies are pioneer church planters. The Holy Spirit walked among us and brought restoration, refreshment, and insight. It was, nonetheless, glorious!

***Tim Scherman from AGWM Media came to take footage for the next AGWM Missions DVD presentation. Here you can see him in action, taking SpeedTheLight footage. >>>>>>>>>>>

***After getting Tim off and on his way, Rick traveled to Angarsk and taught for one week at the extension school. Dianna stayed home and got two rooms of their apartment re-wallpapered after water and fire damage. Praise God for His divine protection!

***Over Thanksgiving, the Langs hosted our AGWM Siberian Missionaries in their home. It was a great time of re-connecting!
