Our answer to prayer...
We say "thank you, Lord."

Melanie Reed is our stateside Office Assistant!

She has a **heart** for missions and will be a real asset to our Russia ministry team.

THE GOOD NEWS IS
GOD is not LIMITED...
Some may view the situation concerning the new Russian visa law a difficulty or a set back, but we are witnesses to the fact that God is opening up another way .
ABOUT THE SAME TIME
THAT THIS NEW LAW WAS SET...
The Russian national church received by way of prayer and fasting a vision and a directive to plant 1,000 new churches in the year 2008. Isn't that amazing! This goal to some, is unrealistic. True, it is beyond human capability, but GOD is not LIMITED...
His arm is not too short.
This visa law may be inconvenient, but we believe that double work for the Kingdom will be accomplished as we partner with the national Russian church.
Isa 59:1 Surely the arm of the LORD is not too short to save, nor his ear too dull to hear.

Pastors & Churches... **Getting Missions into every home in Your Church Community is a great endeavor!**
How can people get up close & personal in the area of missions? One way would be to forward this electronic newsletter to your church's e-mail lists. Why not Engage People In the Area of Missions!

Join us for a time of Prayer & Fasting.
EVERY TUESDAY, "THINK RED, THINK RUSSIA!"
Would you intercede for missionaries serving Russia, Siberia, & Belarus?
Trust God with us to work the new visa law, 3 months in then 3 months out, for the furtherance of the Gospel . Pray for our team and for a renewing of our individual call to missions and for a strengthening in our walk of faith.

Thank; for the Christmas gifts!
With the help of flyer miles and special gifts from some individuals & an Iowa church we were really blessed this holiday season thus making our Christmas special! We were able to fly to Austin, Texas, with Dianna's parents and enjoy a belated celebration with all our kids. Thank you for caring.
